

INSTRUCTIONS FOR DUES

- Attached is your 2021 membership application for Club dues which are due by January 3, 2021. Each member is required to fill out the 2021 application. Checks will not be accepted and will be returned to sender if there is no duly-filled out application attached. If your info is the same as last year, you can simply write same as last year. **Please do not send a check without your application information as it will be returned to sender. This might result in you missing a tournament.**
- Dues for 2021 are \$15 – for those who receive Club info and forms via e-mail.
- Members who receive their information and tournament forms monthly via regular mail – their dues for 2021 will be \$20, to help the Club pay for postage.
- Please send a separate check for your dues. One check is acceptable if you are paying for 2 or more member's dues. Please do not mix membership dues with tournament applications - as this becomes a bookkeeping nightmare.
